Dear Supporter of American Pro Israel PAC,

Have you ever wondered where your contributions have gone. Well, in the case of The American Pro Israel PAC I would say all contributions have gone into the pockets of the board and to fund parties to raise more funds for their use. It certainly hasn't gone to pay bills that were incurred during 2019. My company is owed \$695.50 for work done in May and June of this year. It is also my understanding that monies are owed to other vendors including Teresa Dailey, Mar-a-Lago Club and Temple Beth-El.

I can't tell you what the board put into their pockets in 2019 due to the PAC not filing the necessary and required forms with the Federal Election Commission, but I can tell you the following that occurred in 2018. A total of **\$237,660** was reported as collected during that period. Board Travel was paid in the amount of **\$10,048.32** and Board Compensation in the amount of **\$45,000. That totals to \$55,048.32 which equates to 23.2 percent of the monies received. An absurd amount.**

I can't find anywhere information on usage of funds to meet the mission of this PAC. Maybe someone could educate me on this. What I do know is that the PAC is now being run by Jason Sullivan and he will not answer phone calls, emails or text messages. The current Treasurer is his mother Jeanne Sullivan and she also won't answer any means of communications either. Is this the type of people you want your hard earned money to go to?

Be smart and put your funds to use elsewhere.

Sincerely,

Jay I. Goldfarb, President
